Team Titans II Lead Sprite Animator II 2025– Present

- Experience managing a small animation team.
- Animated all attack animations for the main character, Bellerophon.
- Animated all of the defence animations for Bellerophon.
- Animated in Tv Paint for a traditional animation feel over puppet rigging for the sprite sheets.

Koi Club II Fashion Illustrator II 2025

- Spearheaded the visual direction of Collection I as Lead Designer, illustrating the "Embodiment of the Crown" theme.
- Created a graphic t-shirt design that drove a 45% increase in sales and became a top-performing piece in the collection.
- Introduced and ran the company's Collector's Edition artists cards that were exclusive for Koi clubs' first 100 sales.

Adventurefy II 2D Animator & Storyboard artist II 2024– 2025

- Created a handful of attack animations for the app.
- Designed & illustrated all of the Splash Screens for the app and web version of adventurefy.
- One of the lead Character Designers for the project. In charge of creating the two main characters you get to pick before starting your adventure.
- Created the majority of the armour sets for the game, including a variety of props.

Mr Marties Marvellous Melodies II Head Illustrator & Editor II 2022–2024

- Designed all the original characters & backgrounds for each song in this book.
- Designed all the colouring pages for the promotion of the book, which led to a 20% increase in sales.
- I illustrated the book sleeve and the front and back covers.
- Designed all the contents, credits and how-to-play pages.
- Created the public album cover for the Spotify linked to the book.
- Produced all the promotional posters for the book.
